

SENATOR W. G. HARDING NOMINATED FOR PRESIDENT

GOV. COOLIDGE NOMINATED FOR VICE-PRESIDENT

OHIO STATESMAN, RECEIVES 674 VOTES ON 10TH BALLOT AND IS NOMINATED

LOWDEN AND SPROUL FORCES FLOCK TO HARDING WITH PART OF WOOD FORCES

Chicago, June 14—Warren G. Harding, United States senator from Ohio, was nominated for president and Calvin Coolidge, governor of Massachusetts, was named vice-president by the national republican convention Saturday evening.

The choice of Senator Harding was effected on the 10th ballot of the convention and the sixth roll call of the two sessions, early in which the impossibility of nominating either General Leonard Wood or Governor F. O. Lowden was demonstrated.

General Wood went down fighting desperately to the last, but was overwhelmed by the coalition of all his opponents under the Harding banner. Governor Lowden, though he had forged ahead of Wood at the morning session, found his strength, like that of the general receding, and realizing his continuance in the contest only would prolong the deadlock, released his delegates, most of whom went to Harding and accomplished his nomination.

Harding received the necessary majority of 493 votes at 6:14 p. m., when Pennsylvania swung 60 delegates to his support, making his total at that point 520. The result of the complete roll-call on the 10th and final ballot was: Harding, 674 7-10; Wood, 157 1/2; Johnson 80 2-5; Lowden, 12; scattering, 58 9-10.

How It Was Done

The nomination of "Warren G. Harding for the presidency, climax of the republican national convention, ended one of the most remarkable strategic contests in the history of American politics.

With the "big three" hopelessly deadlocked in spectacular vote battle, a newly formed group of United States senators took it upon themselves to take command of the strategy that was to break the stalemate.

They gathered in rooms at the Blackstone, Senator Brandegee's suite, in the interim between the Friday and Saturday sessions, and they picked Senator Harding as the one compromise candidate most likely to win both nomination and election. Next they decided that the way to put Harding across was by a series of slowly increasing accretions of votes as the Saturday balloting progressed—in short, a gradually gathering avalanche of strength that would tear delegation after delegation from the grasp of the "big three" leaders.

And the senators won. They not only won the "big three" but they did it without the co-operation of and without even confidential relations with those national committeemen and other section leaders who had been looked upon as the heirs of the famed "old guard" of other years.

Coolidge for Vice-President

Governor Calvin Coolidge of Massachusetts was picked as "running mate" for Senator W. G. Harding in short order. It was one spot where the convention acted spontaneously. The delegates, relieved of the strain of listening for band wagons, put Coolidge up for vice president without any "management" being perceptible in the process. Four candidates were put in the field, but the Massachusetts man who was re-elected last November after his vigorous action in the Boston police strike by the largest plurality known in New England, made almost a one man parade of it.

After the Battle

HUGH BAILLIE

Chicago, June 14—Well, it's all over, including the shouting.

The candidates row which swarmed with jubilators and mourners after Harding and Coolidge won, swarmed

Senator Harding

with janitors and scrub women today.

A tour of the "famous row" today revealed:

Harding's headquarters—A pile of gilded chairs.

Johnson headquarters—A well worn path in the red carpet over which pilgrims moved in a single file to shake hands, and a placard, "You can win with Johnson."

Lowden's headquarters—A sign in the window, "Vote for Harding and Coolidge."

Wood headquarters—A huge bust of Theodore Roosevelt, and a drove of carpenters wrecking the temporary part behind which the general and his supporters sat in secluded state last week.

Pointexter's headquarters—A big canvas sign, "Pointexter for President," with a hole kicked in it.

Coolidge's headquarters—A locked door with a placard on it telling the Massachusetts delegates what train to take to Boston.

Hoover headquarters—Not even a crowd of janitors, only a lone sweeper cleaning up the many rumpled and torn pictures of Hoover.

Butlers headquarters—Great gobs of gloom.

Harding Approves of Coolidge

Washington, June 14—Senator Warren G. Harding today placed his stamp of approval on Governor Coolidge's nomination for vice-president on the republican ticket.

Montreal, Quebec, June 14—Organized labor is preparing a nation-wide fight to establish a six hour day.

All unions opening the fight now are assured the support of the American Federation of Labor under unanimous decision of the federation's annual convention in session here. The convention includes delegates from every section of the U. S.

SHIFTEST REPORTS EXPENDITURES

(By United Press)

St. Paul, June 14—Henry Shipstead, republican candidate for governor backed by the Nonpartisan league, spent \$244.26 on his campaign from May 22 to June 12, according to reports filed with the secretary of state today. None of the republican candidates had filed reports up to noon.

RAIL WAGE RAISE BEGINS MAY 1

Chicago, June 12—Wage increases to be granted by the railroad labor board will be retroactive May 1, 1920, it was announced today. The board said the decision, to be expected shortly, will apply to 93 per cent of the country's railroads. Those left out will be protected by hearings to be arranged later.

PARTY LEADERS PREPARING TO START CAMPAIGN

FIVE MILLION PICTURES OF THE NOMINEES WILL BE PRINTED AND CIRCULATED

HARDING WILL BE OFFICIALLY NOTIFIED OF HIS NOMINATION AT MARION, OHIO

L. C. MARTIN

(United Press Staff Correspondent)
Chicago, June 14—Republican party leaders today were preparing to get the Harding-Coolidge campaign under way without delay and to make it lively from the start.

Their first step will be to flood the country with pictures of Harding and Coolidge. Five million pictures have been ordered and will be sent to every state within a week.

Conferences will be held between Harding and Senator Lodge, chairman of the committee, to notify the nominee to arrange a time and place of notification. Senator Harding favors notification at his home town in Marion, Ohio.

Similar arrangements will be made by Wm. Allen White of Kansas for notification of Gov. Coolidge.

An executive committee to have charge of the campaign also is to be named after a conference between Harding and a special committee named to arrange with him for details of the campaign.

Will H. Hays, chairman of the national committee, will shortly call the committee together to get to work on revision on the basis of representation recommended by the convention. A sub-committee probably will be appointed to make recommendations for a rule for representation on the basis of the actual republican vote.

Officials of the convention today were cleaning up odds and ends following the convention.

THIRD PARTY TO BE LAUNCHED

A COMMITTEE OF 18 HAS ISSUED A CALL FOR CONVENTION TO NOMINATE CANDIDATES

(By United Press)

Chicago, June 14—A third political party to contest in the coming presidential campaign will be launched July 10. The committee of forty-eight issued a call for the convention by announcing that the candidates for president, vice-president, congress and numerous state tickets, will be put in the field.

Senator Robert LaFollette of Wisconsin, has been mentioned as a prospective presidential timber of the new party.

LEAGUE OF NATIONS COUNCIL HOLDS MEETING

(By United Press)

London, June 14—The league of nations council met today upon the request of a member nation that would act as a peacemaker under Article 2 of the covenant. Prince Firouze, Persian foreign minister, formally requested that the council meet to consider the situation in the Caspian region, where bolshevik forces have bombarded a city and seized warships which were formerly under the command of General Denikine, deposed bolshevik leader.

JEWELS STOLEN ARE RECOVERED

Norristown, N. J., June 14—Jewels valued at \$50,000, which Mrs. Arthur Whitney reported stolen while enroute home from the republican convention at Chicago, were recovered, she announced on her arrival here. Mrs. Whitney said a passenger on the train found the jewels wrapped in a towel. She believes when the alarm was spread the robber took the jewels because frightened and abandoned the loot.

PREUS CAMPAIGNS IN AIRPLANE

COL. THEODORE ROOSEVELT, JR., WRITES COMMENDING LETTER OF COLLINS

(By United Press)

St. Paul, June 14—J. A. O. Preus, one of the candidates for the republican nomination for governor, began campaigning today in an airplane.

Word reaching here today said Preus left Montevideo for Appleton in an airplane this morning to speak in an afternoon meeting at Appleton. The plan then was to return to Montevideo and take Louis L. Collins, candidate for lieutenant-governor, to Appleton.

Col. George E. Leach received a letter from Col. Theodore Roosevelt, Jr., today expressing Roosevelt's belief that republicans of Minnesota are unusually fortunate in making the choice of Collins for lieutenant-governor.

BRITISH PLEASED JOHNSON IS DEFEATED

(United Press)

London, June 14—Hope that Senator Warren G. Harding, republican presidential candidate, would pursue the middle course in dealing with international affairs, in case he is elected, was expressed by newspapers commenting upon the events of the republican national convention at Chicago.

There was an undercurrent of satisfaction at the defeat of Senator Johnson, of California, whose policies it was feared, might involve difficulties with Great Britain and the U. S.

FIND MOTIVE FOR THE ASSASSINATION

(By United Press)

Paris, June 14—Police today sought some motive for the assassination of General Essad Pasha, former president of Albania by a young Albanian student named Rastim, in front of the Hotel Continental here, in the presence of hundreds of people.

Essad Pasha was shot as he left the hotel entrance on the way to his waiting automobile with a woman friend. The student stepped from behind a pillar and fired three shots in repeated succession at close range.

FLAG DAY EXERCISES AT FORT SNELLING

St. Paul, June 14—Flag day exercises were conducted at Fort Snelling this afternoon despite inclement weather early today. Rain with intermittent showers through the morning, did not bar the celebration. The entire Minnesota National Guard joined the federal troops in the observance.

LARGE REGISTRATION IS EXPECTED

(United Press)

St. Paul, June 14—A large registration of voters was expected today—the last day to register before the state primary election June 21.

HARDING RETURNS TO WASHINGTON

WHERE HE WILL REMAIN FOR A WEEK MAKING CAMPAIGN PLANS

RAYMOND CLAPPER,
(United Press Staff Correspondent)

Washington, June 14—Senator Warren C. Harding, republican candidate for president, was back in the capital today preparing for the coming campaign.

Senator Harding will remain here for the week but plans after that are indefinite.

Today Harding will squeeze in nineteen holes of golf at the Chevy Chase club if he can find anybody to play with him, he said. Otherwise the day would be taken up with getting unpacked, sorting mail and receiving visitors. He expects to be at his office in the senate office building part of the day. He arrived here early today from his triumph in Chicago literally in his shirt sleeves and slipped on his coat just before he alighted from the train to be greeted by three thousand people.

It was a "democratic special" that carried the republican candidate and his wife back to Washington. They had a stateroom on a train carrying a dozen senators, convention delegates and personal friends of the Hardings.

Senator and Mrs. Harding took breakfast, lunch and dinner in the diner, refusing to be served in their stateroom. The stateroom door stood wide open and fellow senators dropped in occasionally. Mrs. Harding chatted in the parlor cars with senators wives.

Senator Harding sat in the stateroom reading the Sunday papers, swapped stories with senators who dropped in. He took the comic section of the Sunday papers to breakfast and read the funnies to Mrs. Harding. Later nearly all of the passengers were received by Senator Harding.

Chatting with the United Press correspondent, Senator Harding told stories analyzing his emotions during the last dramatic twenty-eight hours at the convention. The conversation got onto the question of the paper shortage.

Mrs. Harding, who was present part of the day, joined in with positive remarks about the high cost of living. Harding said we used to wait until October for watermelons but now we wait them in May, and everything else is the same way. We are in too much of a hurry, that is the reason for the high cost of living.

Harding will go ahead leisurely with campaign plans. Meanwhile he will attend to senatorial duties, which will be lighter however during the recess.

Hardings Views Coincide With Platform

Washington, June 14—Senator Warren G. Harding desires to go before the country as the republican presidential nominee on a strictly literal interpretation of the peace treaty plank in the Chicago platform, senatorial colleagues believe today.

This view was supported by Senator Harding's own speeches and source which were made in an effort to get the presidential candidate's view on foreign affairs.

The republican treaty plank condemns the treaty as brought back by President Wilson, praises the senators who voted with the Lodge reservations, declaring agreement with foreign nations must conform with the American ideals and with the policies of Washington and Monroe. It favors the principles of an international court to settle disputes. There is no specific declaration on the treaty ratification.

Senator Harding's speeches alone show how closely he conforms to the plank.

In a speech in the senate during the treaty debate, Harding said:

"The permanent court of international justice to determine all international problems which several nations agree to submit to, is strongly appealing. With such a court and with a clearly established code of all international laws there could never

DEMOCRAT LEADERS TRY TO SUPPRESS WET SENTIMENT

WANT TO PREVENT ADOPTION OF A PLANK THAT WOULD FEED THE DRY

(By United Press)

San Francisco, June 14—Leaders of the democratic party who are early arrivals for the national convention, are casting about for a means to choke down sentiment for repeal of the drastic prohibition law.

They see in the rules requiring two-thirds majority to nominate a most effective weapon to prevent organized efforts to make the democratic party the champion of the "wets."

Governor Edward I. Edwards, of New Jersey, the wet candidate for the presidential nomination, is expected to be the first candidate on the scene. About him the wets are building up a hope to capture their party.

The wets to win the nomination are relying largely upon the personal wet sympathy which exist in the breasts of the large body of uninstructed delegates.

Gov. Edwards will have the further advantage of a wet city as a location for the convention.

But the party expects to control the resolutions committee, and keep it dry and at least avoid any plank that would violently offend the drys. They also believe the rules requiring two-thirds vote to nominate will safeguard them from attempting to nominate Edwards.

CHICAGO CENSUS TOTAL 2,701,212

Washington, June 14—Chicago's 1920 population was announced as 2,701,212 by the census bureau tonight. This is a gain of 515,929 or 23.6 per cent over the 1910 census. Other population figures announced were:

San Antonio, Texas, 161,308, 66.64 or 67 per cent increase.

Wheeling, W. Va., 54,322, 12.351 or 30.5 per cent increase.

Allentown, Pa., 73,562, 21,589 or 41.6 per cent increase; West Hazelton, Pa., 5,854, 1,139 or 44.2 per cent increase.

West Pittston, Pa., 6,368, increase since 1910, 129 or 1.8 per cent.

be a dispute in the future that would not array the conscience driven nations on the righteous side."

Harding is also classed as a strong reservationist. Speaking in the senate on Sept. 11 last, he said:

"We now know there are to be reservations, unmistakable reservations, else there will be no treaty."

"They must speak in the clearest terms. These reservations must be strong and unmistakable."

At another time Harding said:

"Whether the covenant involves a surrender of the nations sovereignty, and submits their future destiny to the league, all would be an empty thing, big in name and an ultimate disappointment of all humanity that hinges upon it."

MCADOO PROBABLE DEMOCRATIC CHOICE FOR PRESIDENCY

REPUBLICAN PARTY LEADERS PLANNING CAMPAIGN ON THIS ASSUMPTION

THEY EVEN ASSUME GOV. COX WILL BE HIS HUNNING MATE AS VICE-PRESIDENT

HAROLD JACOBS,

(United Press Staff Correspondent)

Chicago, June 14—The republican party leaders today began to plan their presidential campaign on the assumption that W. G. McAdoo will be nominated by the democrats in their national convention opening in San Francisco June 28.

Prominent democrats enroute to the Pacific coast, declared the situation in their party had not crystallized sufficiently to permit even a guess as to the probable nominee.

The attitude of the republicans in picking the nominee for the democrats as illustrated in the speech of Charles S. Wheeler, San Francisco attorney, who nominated Senator Johnson last week, bitterly attacked the democratic administration if the republican party by refusing to nominate a "sure winner" wish to continue the Wilson "dynasty" by placing a "crown prince" in the White House. McAdoo, who has refused to permit an open campaign in his behalf and has removed himself from actively participating in the council of his party, is expected to spend the period of the democratic convention in New York city.

Republicans have even gone so far as to assume that James M. Cox of Ohio, will be the democratic choice for the vice-presidency. Cox, however, is probably McAdoo's most formidable rival for the presidential nomination. He has more instructed delegates and is known to have the picking of powerful party leaders.

Other names prominently mentioned in connection with the democratic nominations were: Vice-President Thomas Marshall, Attorney General A. Mitchell Palmer, Governor Edward I. Edwards of New Jersey, Secretary of Agriculture E. T. Meredith, Senator Gilbert M. Hitchcock of Nebraska, Homer S. Cummings and Secretary of War Baker.

Caswell Believes McAdoo Will be the Nominee

St. Paul June 14—Irving A. Caswell, the new national committeeman from Minnesota, believes the democratic national convention will nominate Wm. McAdoo and James M. Cox.

Caswell said the republican organization in Minnesota will devote its efforts to the state primaries June 21, and then jump immediately into the task of electing Harding and Coolidge, nominated for president and vice-president at Chicago Saturday.

PASSENGER TRAIN RUNS INTO FREIGHT

ONE MAN IS KILLED AND SEVEN ARE BADLY INJURED IN THE CRASH

(By United Press)

Chicago, June 14—One man, R. Bateman, of Holland, Mich., was killed and seven passengers seriously injured near here early today when a Pere Marquette passenger train ran head on into a standing freight train.

Bateman was conductor of the passenger train bringing a load of vacationists back from Michigan resorts. Seven passengers were badly injured. The passenger train was moving with enough force to lock the two locomotives while the first coach was telescoped.

The escape of the travelers was regarded as miraculous causing firemen to report to headquarters that many bodies lay in the debris. Many people were slightly hurt when they were thrown about.

In taking the Gull lake road to Pequot and Jenkins and crossing over to the Walker road, the best plan is to avoid the new link between Jenkins and the Walker road which is in bad shape, and take the old creamery road. To get to the creamery road turn to the right a block this side of the Jenkins store. The road has several mud holes between the creamery and where the tracks are crossed later, but they have a hard bottom.

Miss Ruth Mitchell, District Chairman, Writes of Speakers that Are Available (Communicated)

The attention of the Women's Community Council is called to the meeting to be held Tuesday afternoon at 3 o'clock at Trade & Labor hall in the Iron Exchange building. Ward and block chairmen committee women, delegates from organizations and all members are eligible to attend this meeting when at the request of Miss Severance, Crow Wing Co. Chairman League of Women Voters the council will nominate a chairman for Brainerd. Committees will also be outlined preparatory to the county meeting soon to be held.

Miss Ruth Mitchell, District Chairman has written that very likely we can have the services of Miss Kneubuhl, State Director of Political Education, in her return from Bemidji, the last of June.

The League of Women Voters is a pan-partisan organization, for the purpose of fitting women for the vote. Good men as well as women are looking to the vote in the hands of women to accomplish great things for the bettering of our civilization. But women must join together to study these things. Brainerd women are urged to attend this meeting, as they should not be behind the other counties in this organization.

Sinclair Refining Co.

The Sinclair Refining Co., of Brainerd, is now open for business. We have a straight run gasoline, with an average 415 end point. Our kerosene is as good as money can buy. We also will have 5 grades of lubricating oils. Harvester machine oil and hard oil. Give us a fair trial, and we will guarantee quality and service.

Adjoining town orders promptly attended to. And remember, we charge you no more, than you have to pay for the average product.

FRISCO SHOWS OPENING TONIGHT

All the Shows and Riding Devices of the Street Carnival Located Near Gas Plant

HAS OPERATIC CONCERT BAND

Prof. Martinez Band to Give Concert Down Town This Evening from 7 to 7:30 O'clock

The "Sunkist Special", which is the name the show folks have bestowed on the orange colored cars that carries the Frisco Exposition Shows over the road, beat its schedule nearly three-quarters of an hour arriving in Brainerd at 3:30 o'clock Sunday afternoon instead of 4 o'clock as announced in Saturday's Dispatch.

As soon as the train was spotted the runs were set and perspiring workmen began unloading the fifty odd red wagons and teams drew them to the lot where a big reception committee composed of curious idlers watched the placing of the heavy, carved wagon fronts and the erecting of the tents.

Yesterday was the first real summer day the Frisco Show folks have experienced this season and those whose presence was not required on the lot or at the train hurried to Lum Park and got into the cooling water as quickly as possible.

The equipment of the Frisco Show is surprisingly new and clean in its appearance and it was also a matter of comment that the layout of the show requires more space than any how of a similar nature that has ever visited Brainerd.

Harry Sanger, the general agent of the show, who is also an old time resident of Brainerd, spent the day

in Brainerd conferring with Charles Martin, owner of the Frisco Shows over route and details of the advance department. Mr. Sanger is very proud of the Frisco Shows and is very much pleased that conditions enabled him to bring the show to his old home town that his friends may have the pleasure of viewing a real lean up-to-date amusement exposition. All the shows and rides will

be in full operation tonight at 7:30 o'clock.

Prof Martinez Operatic Concert band will give a down town concert from 7 to 7:30.

Why Exclusive Agencies Cost More to Operate

A roofing dealer who has an exclusive agency has no competition on his private brand. As a result he can charge a large profit if you'll buy.

In addition, he is usually a long distance from his little manufacturer and must invest more money to keep his stock up. Now look at the Certain-teed way. Any responsible dealer can sell Certain-teed. Each dealer carries a small representative stock. If he needs more he orders from a nearby Certain-teed warehouse or jobber. It usually takes only a day or two to get it.

The result is small investment, small storage cost, light insurance, and no slow-moving articles.

Certain-teed Saves You Money

That's why Certain-teed dealers operate at less expense. And it's also why Certain-teed saves you money because they can afford to sell at close margins and there are enough of them to insure you a fair deal.

Now let's see what you get when you buy Certain-teed Roofing.

It's roofing that has never been known to wear out on the roof. It is guaranteed for 5, 10 or 15 years, according to weight. It is weather-proof, fire-retarding and spark-proof.

There is nothing else you want from roofing. And since you get this highest quality roofing at a saving, it's the logical buy.

Any responsible dealer can get Certain-teed for you quickly from a nearby Certain-teed warehouse or jobber. He gets it when he wants it and he gets what he wants. He can afford to sell you at a fair price.

LAND CLEARING

DEMONSTRATION

Close to 600 People Witness Stump Pullers, Dynamite, Tractors and Pilers at Work

30 PER CENT DYNAMITE USED

Found Effective Almost Every Shot in the Sandy Soil—Meeting Later in Bazaar

The land clearing demonstration held at Pequot June 11th, was well attended, five to six hundred people watching the different processes of land clearing. The land clearing train, under the direction of Mack Thompson of the N. E. Experiment Station, Danbury, tried to show that by combining the efforts of twenty men with stump pullers, dynamite, tractors and pilers, they can operate more efficiently than twice that number of men could individually. Three acres of land were cleared almost entirely of stumps and piled in the center of the field in not over two hours. A demonstrator showed how land could be practically and economically cleared, blowing the larger stumps, pulling the smaller, piling with a crane or home made piler, where they were close together and bringing them to the piler by means of a tractor.

At first twenty per cent dynamite was used, but this was found not to be as effective on the rather sandy soil where the demonstration took place, so thirty per cent dynamite was used, proving to be effective most every shot. The demonstration train was entirely self supporting. Stump pullers and helpers, dynamite and experts were furnished by their own companies. Train facilities were furnished by the N. P. railroad with only one or two university men handling the demonstrations.

The demonstrations were completed at 12 o'clock. A large crowd took lunch furnished by the Twin Lakes Farmers' club at Pequot. In the evening land clearing experts gave talks for the Chamber of Commerce meeting at Brainerd where they explained the value of cooperation in land clearing and other lines of activity. Mr. Benz, potato grower of Washington, recommended closer cooperation between business men and farmers as did Mr. Kirkwood and Mr. Thompson of the university.

Mrs. Wilson Celebrates
Birthday by "Adopting"
This Serbian War Orphan

This little Serbian war orphan has been "adopted" by Mrs. Woodrow Wilson. The president's wife has sent her check for \$12 to Mrs. Abram I. Elkins, one of the active members of the Woman's Committee of One Hundred of the National Bazaar Committee, Serbian Child Welfare Association, New York. This amount will enable the committee to maintain Michael Jevodovich, ten years old, for one year at the association's institute at Chachak, Serbia. In transmitting her contribution, Mrs. Wilson wrote: "I will be very glad to celebrate my birthday, by making things easier for some other little soul in far-off Serbia and am sending my 'cheek'." Little Michael was so neglected during the war that tuberculosis developed in his knee and necessitated the amputation of the leg.

Anderson-Peterson

A very pretty wedding took place at the home of the brides' parents Saturday, June 12 when Essie M. Peterson, daughter of Mr. and Mrs. A. D. Peterson was united in marriage to George L. Anderson of Kenyon, Minn., Rev. Rorem of the Norwegian-Lutheran church officiating.

The wedding party ended the flying room to the straining of Lehighgarden wedding march, with Miss Little Nelson at the piano. Little Martine Amore Morken niece of the bride attended as flower girl and Master Glen Erickson nephew of the bride carried the wedding ring in a rose. The bride was attended by Miss Mabel Fall of this city and the best man was Carl Carlson of Kenyon, Minn., cousin of the groom.

The bride was attired daintily in a dress of white organdie and carried a shower bouquet of pink roses. The bridesmaid was attired in white voile and carried a bouquet of American beauty roses. The home was beautifully decorated with fern and iris.

After the ceremony a wedding dinner was served to the invited guests. The happy couple left on the Sunday morning train for Kenyon, Minn., where they will make their future home. They were the recipients of many beautiful and useful wedding presents.

The out of town guests were Mr. and Mrs. Gunder Anderson of Kenyon, Minn., father and mother of the groom, Carl Carlson of Kenyon, cousin of the groom, Mr. and Mrs. A. Erickson and son Glen of Sioux City, Ia. and Mr. and Mrs. Alfred Peterson and little daughter, Joyce Helen of Danville, Mr. Erickson and Mr. Peterson are sister and brother of the bride.

Jones-Nelson

A very pretty church wedding was solemnized Saturday morning at the First Baptist church when Miss Irene Loraine Jones, one of Crow County's most successful teachers, daughter of Mr. and Mrs. J. M. Jones, 223 Vine street, was given in marriage to Alvin Nelson, son of Mr. and Mrs. John Nelson, Bay Lake, Rev. A. C. Smith, officiating at the ceremony. The bride and groom were attended by Miss Averil Jones, sister of the bride and Mr. Ernest Fuller.

The bride wore a charmingly beautiful gown of georgette and Dunesette with an American Beauty picture hat to match and carried a bouquet of bridal roses. Before the ceremony Miss Agnes Tomlinson recited "I Love You Truly" which was beautifully sung. The bridal party marched to the altar to the strains of Lehighgarden's Wedding March, played by Miss Irma Blake. The simple ring ceremony was used after which Miss Tomlinson sang "My Heart Is Thine". After the wedding a sumptuous wedding breakfast was served at the home of the bride. The maids of honor, were Miss Esther Prieker and Miss Helen Nelson. Mr. and Mrs. Nelson left for an extended stay to their southern Minnesota.

Out of town guests at the wedding were Mr. and Mrs. John Nelson, father and mother of the groom of Bay Lake, the Misses Helen and Ada Nelson, sisters of the groom, and Mr. and Mrs. Ernest Fuller.

Nelson-Fuller

A pretty wedding took place at the parsonage of the First Baptist church Friday evening, June eleventh, when Rev. A. C. Smith officiated at the marriage of Miss Nellie Nelson of Bay Lake, daughter of Mr. and Mrs. John Nelson to Ernest Fuller, son of Mr. and Mrs. Fuller also of Bay Lake.

The bride was radiant in white georgette and satin with hat to match. The attendants were Miss Irene Jones of this city and Alvin Nelson, brother of the bride. Much happiness was wished them by their many friends at Brainerd and vicinity.

Doreas Society

The Doreas society of the Swedish Reformed church will be entertained Friday evening at the Omar Swanson cottage on Hubert lake, by Mrs. Swanson and Mrs. Arthur Anderson. Everybody should plan to attend.

Luther League

The Luther League of the Swedish Lutheran church will meet tonight at the home of P. A. Nelson, 502 Elm St. All members are requested to be present.

Luther League

The Luther League society of the Swedish Lutheran church will be held this evening at the home of Mrs. P. A. Nelson in Northeast Brainerd.

The First Drop in the High Prices

The High Cost of Living Will be Greatly Reduced During Our Sale

Prices have reached the high peak. They have tottered some but have not fallen. It is not probable they will fall permanently this year. Manufactures' prices are quoted higher than one year ago. However, newspaper talk about lower prices has retarded business during the last two months. Some city stores who have been securing very big profits have dropped down to normal and have advertised the fact as a drop in

prices. The results of anticipated lower prices has affected our business as it has others. We have, as a consequence, too large a stock which must be turned into money at once. You'll see how much in earnest we are by the prices quoted. Every article and every yard of goods will be reduced except Victrolas, Victor records and Pictorial Review Patterns. It is a remarkable sale which will increase the value of the dollar. It begins June 15.

Suit Prices Deeply Cut

We Must Reduce Stock

There is a sale ticket attached to every suit and we have put prices there which will demand your attention. The value has not been considered, but what price is a suit clearance. Remember that ours are only high quality garments.

Tricotine Suits

Good quality tricotine suits of excellent weight suitable for fall wear. Tricotine has been the popular suit material and it is so meritorious that it will continue to be. Excellent styles too.

Excellent Serge Suits

One of the most satisfactory of suit materials. One purchasing a serge suit knows that they will have wear. We have plenty of these garments.

The Suit Sale Prices

These suits have sold regularly at from \$42.50 to \$97.50. They were very reasonable at these prices. We will range in price from \$25.50 to \$69.00. Beautiful high priced suits at \$40.00 to \$59.00.

Dress Sale

All wash dresses, all silk dresses, all wool dresses will be sold at special prices during our Price Cutting Sale. We have some most astounding values for you.

SPECIAL SILK DRESS SALE—One special lot of silk dresses. These are various sizes, styles and qualities. The price reductions will be most marked. Dresses 25, 30, 40 and 50 per cent less than value. Figure for yourself what a saving this will be. Silk dresses from \$9.75 up.

WOOL DRESS SALE—Some of these so cheap that you can afford to cut them up for children. It is a special lot at a very special price. See the green tickets giving the sale prices.

Special Skirt Sale

Every skirt on sale but very special low prices. These from 1-4 off to half price. We will be shown on beautiful fancy silk and wool have too large a stock of skirts and the sale must clear the stock. See the green sale tickets.

Our Coat Sale

Every coat no matter how recently received into our stock will be placed on sale. This includes the plain tailored long coats and the shorter sport coats. There are navy coats and tan coats. Good qualities.

SHORT SPORT COATS—The coat which has had the favor of the young ladies. We have some of the better ones which now can be had at the price formerly paid for the cheaper ones. Coats formerly selling from \$25.00 to \$75.00 may now be had from \$16.50 to \$39.00.

LONG SUMMER COATS—Some numbers in these that will take exceptionally low sale prices. Each coat bears a sale ticket giving the special low price.

Tweed Coats

Those serviceable coats for use in the car or for general utility purposes. All these will have sale prices.

When will Prices Come Down Permanently?

Millions are asking this question and the wisest ones do not know. Note this: Manufacturers cannot supply the demand. They have orders beyond their ability to fill. As long as this condition exists the prices will remain high. The manufacturer is NOT cutting prices and until he does permanent reductions cannot be made. The best informed men are cautious but are not sure of a reduction soon.

And Remember

Every article and every yard of goods in our store will be on sale, except Victrola products and Pictorial Review Patterns. We are in earnest when we say we must come to our store for this Price Cutting Sale.

Will Prices Go Any Higher?

That cannot be answered with certainty. It seems as if the peak prices are here. It is true that the goods purchased for fall cost the merchant more than those he has on his shelves. There is no surplus in the market. It does not seem possible now that they will go higher although that cannot be answered with certainty. Were we not overloaded we certainly would not cut prices under existing conditions.

White Skirtings

Beautiful white skirtings for your summer white skirt. All are now on sale. Every yard less than value.
\$1.00 White Skirtings now at -----79c
\$1.25 White Skirtings now at -----98c

AMUSEMENTS

At the Best This Week

Wallace Reid in a new screen comedy, "Double Speed," will be the attraction at the Best theatre for two days commencing Wednesday. The story concerns "Speed" Carr, a wealthy young "live wire," who on an auto trip from New York to Los Angeles is robbed of everything and obliged to take a lift into the latter city from a friendly farmer. He had planned to meet his uncle, John Ogden, there to arrange about his inheritance. Ejected from the banks as an imposter when he presents himself there as "Speed" Carr, the youth secures a job as chauffeur to the bank president's daughter taking the name of Barry Cole, which he had heard by chance. Anxious to produce "Speed" in order that he may negotiate a loan with his uncle, the banking man gets the supposed chauffeur to pose as the missing young man. All sorts of complications follow, but of

*Listen,
 good friends,
 and you shall
 hear why some
 Cigarettes
 are so all-fired
 dear*

First off,
 SOME cigarettes are packed in pretty boxes that certainly don't grow on trees.

Next come, they're dolled up—and flavorings are sure getting scandalous expensive.

And then, they're priced a bit high so they'll seem "exclusive."

But read about Spur Cigarettes, that get right down to home at twenty for twenty cents.

Now if there are any finer tobaccos from the Orient and the good old U. S. A. than Spurs have rolled into them, they must be a secret that the world has never heard.

**Spur
 Cigarettes**

You Can Taste the Good Tobacco

There isn't anything Nature can do or man can do to make tobacco better than the tobaccos in Spur. Why, folks, we began with the best tobaccos that we could get and we just naturally mellowed them along and watched them and brought them up right, so they would do what we wanted them to.

And when we got these combined in Spur Cigarettes, what do you suppose was the result? Just the best taste that any cigarette could give. And who's responsible for this taste? Nobody in this world but good old John W. Tobacco.

Willie Doll-up and Freddie Flavoring hadn't a thing to do with it.

No sir, nothing but honest-to-John Tobacco, and if

you can beat

the taste and

the fragrance

and the general

satisfaction of

that, kindly

send your

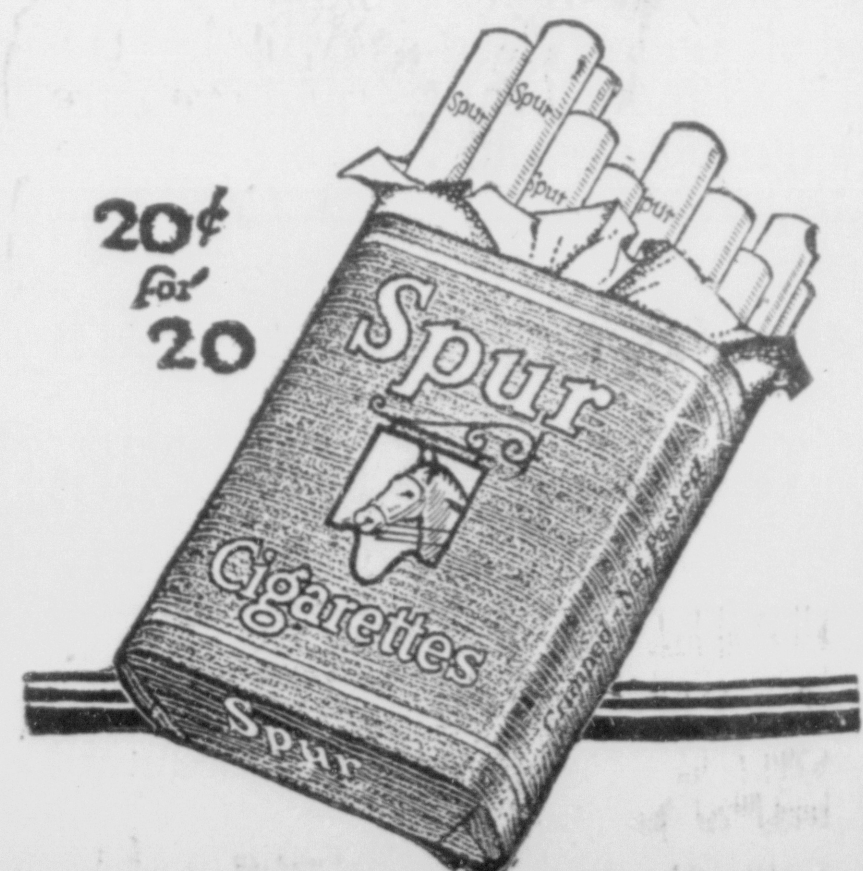

name and address.

But first, try out a package of Spurs, and certain sure you'll have the same opinion.

Spur is "class" all through—even to the refined "brown-and-silver" package, triple-wrapped; that keeps Spurs fresh and fragrant.

ANOKA 7

Brainerd in Ninth Inning Rally
Scores 5 and Almost Won the
Sunday Game at Anoka

PATTERSON, MORSE PITCHED

Heavy Hitting on Both Sides, Thermometer up to 100, A Crowd of 504 in Attendance

Before a crowd of 504 at Anoka sweltering in 100 degree temperature Brainerd staged a ninth inning rally and made five runs, nearly beating their opponents, the Anokans. The final score read Anoka 7, Brainerd 5. Heavy hitting was indulged in by both sides.

Patterson started pitching for Brainerd and was reached for four runs in the fourth inning, being succeeded later by Morse.

Notes of the Game
Briere, Anoka's third baseman, knocked a drive like a bullet in the third inning straight at Patterson who knocked it down, picked it up and pegged Briere out at first.

Wadsworth, Anoka's catcher, hit the ball over the right field fence just out of reach of Sheffield in the fourth inning, good for two bases.

Benda scooped Brandell's line drive off his shoe tops in the sixth inning, making a wonderful one hand pick up perfectly and throwing Brandell out at first.

The Ninth Inning

In the ninth inning Peterson, first man up, hit a long drive in deep center which Center Fielder Corbet caught easily, having played way out. Wines, up next, hit a single. Morse started the scoring for Brainerd by hitting the ball over the fence in left field for two bases. Just inside the two base flag Cook followed Morse with the same thing over the right field fence for two bases. Benda singled, leaving Cook on third and Benda on first. Sheffield hit a fine two-bagger into center, scoring Cook and Benda. Moore grounded to Second Baseman O'Leary and was thrown out at first. Patterson did the same identical thing as Moore and the game ended.

Overcome by Heat
Morse was overcome by the heat just after finishing pitching in the eighth inning and had just got back

on his feet when he came to bat in the ninth and knocked the ball over the fence.

Umpires Billy Hoke of Minneapolis and Ed Hall of Brainerd did fine work, nice clean umpiring coupled with no complaints.

IT PAYS TO ADVERTISE—TRY IT

STREETS MUST AND WILL BE PAVED

Oak, Kindred and Kingwood Streets are Trade Arteries and Important in Brainerd

THE BOND SUBSCRIPTIONS

Banks May Take 40 Per Cent of the Bonds, Individuals Have Subscribed for \$6000

Oak, Kindred and Kingwood streets must and will be paved say the aldermen of the wards most particularly interested. They promise a most favorable announcement, in a day or two, from the owners of property abutting on the streets to be paved. Petitions are now being circulated getting as many property owners as possible to pay in advance.

Besides this the bank taking 40% of the bonds is having success in selling more to others, \$6,000 has already been definitely disposed of and others are seriously considering taking a goodly share.

Those who use these streets for pleasure driving and who can easily purchase some of this paper have not been heard from as definitely as it is felt they should be. These are main arteries and it is to the interest of all to see that they are properly put in shape for travel. All the banks are accepting subscriptions, as it will be more convenient to care for the disposition through these agencies.

DISPOSAL OF CITY GARBAGE

The Chamber of Commerce has taken up the matter of disposing of the city garbage. It has been brought to the attention of the club that there is a very insanitary condition in the city each summer due to inadequate means of handling garbage. The secretary has been working on this matter for some little time, and has negotiated with a small farmer, Mr. Lafavor, to take care of garbage, provided 150 or 200 families will subscribe for this service. It is Mr. Lafavor's plan to form what he calls "A Garbage Club." Members of this club will have their garbage disposed of at a cost approximately \$1 per month.

Brainerd families are requested to get in touch with the secretary, if they desire this service, and every family is invited to join this "Garbage Club." This will be a big step toward improving conditions in our city, and should be welcomed by every family in Brainerd. Plan to join this club at once, and get your name in without delay, so that a route can be established and a definite time for picking up your garbage be arranged.

BASEBALL BUNTS

Fort Ripley and the Speedwells played a tie game 3 to 3, eleven innings, at Fort Ripley Sunday. Double plays were numerous, both being speedy at fielding. Brainerd's battery was Leneau and Gaskill. Fort Ripley had the Little Falls big nine battery, LaForce, Taber and Berger, who were not able to make much of a dent in the Speedwells. The game proceeded until 6 o'clock, a large attendance being recorded.

DRINK A GLASS
OF REAL HOT WATER
BEFORE BREAKFAST.

Says we will both look and feel clean, sweet and fresh and avoid illness.

Sanitary science has of late made rapid strides with results that are of untold blessing to humanity. The latest application of its untiring research is the recommendation that it is as necessary to attend to internal sanitation of the drainage system of the human body as it is to the drains of the house.

Those of us who are accustomed to feel dull and heavy when we arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning before breakfast, drink a glass of real hot water with a teaspoonful of Limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the phosphated hot water is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatic stiffness; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.
